General Comments
<p>Monitoring Inspection - QA Monitor Support in Room #5:</p> <p>Children and educators observed engaged in a variety of activities in the outdoor play area including gross motor play, digging and dumping, climbing, throwing and a dance party. The outdoor play area is set up with a variety of materials for children to explore.</p> <p>The indoor play area is set-up with a variety of invitations that support the children's current interests. Children were observed engaged in a sensory opportunity, where they were exploring a half of a pumpkin and water with squeeze bottles, pipettes, cups for dumping and "potion" bottles.</p> <p>QA Monitor discussed adding a space to "getaway" in the indoor play area. Example: tent, tunnel, cozy cube, etc.</p> <p>A small stool is to be added to the sink in the washroom to ensure that both sinks can be used for hand washing at the same time. This will help reduce wait times during hand washing routines.</p> <p>Recommend adding a bin of balls, bean bags, net/basket and/or a target to encourage children to throw at a target.</p> <p>Some of the pea gravel around the ledge and slide is pulling away. Ensure pea gravel is raked back under the fall zones.</p> <p>Hand washing routines observed.</p> <p>Diaper changing procedures observed to be followed this morning.</p> <p>New staff file (4) review, all required documents in place.</p>

General Comments
