Comments: Tylenol unlocked within office. It was observed that the office is left unlocked when unoccupied. Medications must be kept locked. Discussed with administrator during inspection.			

General Comments
Renewal Inspection:  Children engaged in play indoors and outdoors today. Transitions, lunch, and rest routines observed during inspection. Educators observed encouraging children to independently prepare for lunch. Meaningful conversations observed between children and educators.

## General Comments

Documentation is posted at the children's level that supports their learning, interests and experiences. Purposeful planning is evident through documentation and materials added to the environment.

Educator currently enrolled in Micro Credential ECE course.

### Next steps:

Purposeful planning to include outdoor play. What may this look like? What materials can be brought outdoors to expand on the children's play and learning? What should the outdoor environment look like when the children arrive?
