<p>General Comments</p> <p>On the day of my visit the center was function very well. The educators were engaged with the children and communicating with each other.</p> <p>New educators have been hired since my last visit. Staff files were reviewed and updated.</p> <p>Discussed with the operator purposely planned programing. Due to the new staff this was lacking in some of the rooms. Once staff get settled and familiar with rooms and children this will become a priority for staff to work on.</p>
