General Comments
<p>A renewal inspection occurred today.</p> <p>The indoor play environment was set-up in advance of children arriving with invitations and materials to spark the children's current interests and curiosities. Documentation represents purposeful planning that reflects the children's current interests in kind behaviors, fairy houses, meditation and working as a team.</p> <p>Educators were observed engaged with the children painting Fairy houses. The routine showed flexibility, allowing children to move freely in their space. Risky play was observed, as educators created a center where children could jump safely onto a big pillow, which involves uncertainty of the outcome.</p> <p>All staff and Children files reviewed and complete.</p> <p>Facility is recommended for licensing pending fire recommendation.</p>
