<p>General Comments</p> <p>The Operator is providing a variety of activities that are purposefully planned according to the different ages and development of the children. The children's artwork is displayed throughout the play room and the Operator is using portfolios, and learning stories to document the children's learning. The environment is set up with many learning centres which are readily available to the children. The outdoor play space has many natural components and complements the NB curriculum Framework.</p> <p>The Operator has demonstrated the compliance of all regulations and provides required documentation in an organized fashion. Licensing staff was able to easily verify children's and staff information.</p> <p>The Operator stated that they will no longer be serving meals and snacks. Please ensure that these changes are implemented in your parent handbook and changes are submitted to Department by filling out a Change in Service application.</p> <p>The Operator was observed conversing with the children and giving gentle reminders when needed. The environment is calm which allowed an easy flow of transitions.</p> <p>Licensing staff can recommend the facility for licensing.</p>
