<p>General Comments</p> <ul style="list-style-type: none"> -Morning visit to the establishment for an unexpected monitoring inspection -During the visit, ratio child-to-staff is maintained and respected in a mixed age group -All required documents are found on the parent board which is posted on the top of the children's cubbies. -During the visit, it was observed that the operator is engaged with children at their level providing support and having conversations. -Children's indoor play area is safe and clean - Material and equipment proposed to children in the indoor play area are easily accessible on low, open shelves. It is varied and in sufficient quantity for all children present. -Toxic products, and cleaning supplies are locked under key and are inaccessible to children -Each child has an easily accessible space to store their personal belongings, which is labeled with their name and used only for the intended child. <p>Observations: When arriving at the center children were getting ready to transition into free play, they explored with stickers, took care of their babies, read a book, and build a house with large cushions.</p>
