General Comments

When licensing staff arrived, the infant children were out for a walk to the park. The two-year-old group were in the outdoor play space. The preschool group was finishing up an indoor activity and getting ready for outdoor play time.

Spoke to the administrator about the portal and keeping enrollment current.

Reviewed staff files as new educators have been hired since the last visit.

Please add more sand to the sand table as it was almost empty.

The children seem happy and comfortable in the facility.
