<p>General Comments</p> <p>A renewal inspection occurred today on the preschool portion of the license as a Monitoring inspection was just completed recently on the afterschool program. However, the learning environment, all required documentation and all files were reviewed for the school-age license as well.</p> <p>The children were observed during outside play time, inside free play, lunch, nap/quiet time. The learning environments are set up with defined interest centres with a wide variety of age-appropriate materials.</p> <p>All staff files were reviewed and verified complete. A review of half the children files occurred and all verified completed.</p> <p>Educators were observed speaking appropriately to the children. Redirecting behaviors using positive child guidance.</p> <p>Children's learning is documented and displayed throughout the learning environments.</p> <p>The facility is recommended for license renewal.</p>
