General Comments
<p>Licensing Staff arrived during nap time. All but three children were sleeping. The children were sitting quietly at the table playing with play dough and slime.</p> <p>During this time the educators were sitting with the children playing with them, asking open ended questions to create conversation.</p> <p>Educators are following proper procedures as seen today with an incident report that needed to be completed and a potential illness report form needed to be completed when child became sick after nap time.</p> <p>Positive child guidance was observed during the visit.</p>
