Comments: Deficiency is now compliant			

General Comments
<p>Follow-Up Monitoring Visit Performed.</p> <p>The younger afterschoolers arrived as I got to the facility. Children were directed to wash their hands and educators marked them into the attendance book.</p> <p>While most children chose to have their snack, a few wanted to run around for a bit at first. They had ample room to safely run and get their energy out. The educators offered different choices for activities after snack. There were coloring pages, blank paper, markers and board games.</p> <p>All required postings are on the information board.</p> <p>Child files were checked. All is in order.</p>
