<p>General Comments</p> <p>The carpet has been removed from the preschool room. Had a conversation with the administrator, they are waiting for the village to decide on the next step for the flooring as there are plans to replace the tile floor. A plan will need to be in place when the flooring gets replaced and they facility may need to close during this time. The moldings along the floor will also be replaced when the floor is done. The wooden planks at the entrance have been removed. A rubber mat was placed in the doorway to be used until a proper step or ramp is installed.</p>
