| 21 A licensee shall post the following documents in a clearly visible and prominent place in the facility associated with the licence: (a) the licence; (b) a report provided under section 23; (c) an order issued under section 28; and (d) a probationary license issued under section 29. | 21(a) – (d) | Sep 08, 2023 | |
| Comments: While on site the Quality Assurance Monitor observed that the latest monitoring inspection report was not posted on the parent board, only the most recent renewal inspection report was posted. The Quality Assurance Monitor advised the operator that the most recent monitoring inspection report should also be posted in a visible and prominent place in the facility. The operator informed the Quality Assurance Monitor that the operator was not aware both inspection reports must be posted in a visible and prominent place in the facility and will be posting the monitoring inspection report also. The operator can send a picture of the most recent monitoring inspection report posted via email to the Quality Assurance Monitor. | | | |
