General Comments

The inspector is on site to conduct the renewal inspection. The ratio is respected during the inspection.

The operator confirms to the inspector that 25 hrs. of professional learning is complete, just waiting on the certificate. The operator has until the end of June to complete her 10 h of professional learning hours in reason of the renewal period ends at the end of June. The operator will send a picture to the inspector of her certificate or appendix B once received.

The inspector observed the children playing in the indoor play area and lunch time.

Positive interactions were observed between the operators and the children.
