<p>General Comments</p> <p>When I arrived majority of the children were outside. Some were getting ready for outdoor play time. The children were participating in a variety of activities, such as riding the tricycles, digging in the dirt and making mud pies.</p> <p>The large windows in the rooms give the centre plenty of natural light. The rooms are nicely set up with many wooden objects and plants which gives the center a home-like feeling.</p> <p>Purposefully planned programming and documentation is evident throughout the centre. Children's artwork is posted on the walls in all the classrooms.</p> <p>I recommend the educators go through the books in their classroom and replace any that ripped or missing pages.</p>
