| <p><b>General Comments</b></p> <p>The children were in in the outdoor play area when I arrived. They were building forts in the woods and climbing on the fallen trees.<br/>         The educators were observed moving to the various groups of children to see what they were doing and at times joining in on that activity.<br/>         When the children came inside for snack proper handwashing procedures were observed before eating.<br/>         After snack the children had some free play time for the rest of the afternoon.<br/>         The room is clean, organized and has a variety of materials for the children to use.</p> |
