### General Comments

- Visit completed at the establishment in the afternoon for a monitoring inspection.
- Ratio was respected during the visit.
- The parent has access to the facility at any time when the child is present.
- Attendance records are accurate and reflect all children present. The records show all absence, and the reason is indicated.
- Monthly emergency evacuation and fire drills are completed.
- During the visit positive child guidance was witnessed.
- Children who become ill are required to be picked up within one hour of notification to parents.
- Management of potential illness forms are completed as required.
- First aid kit and telephone are accessible on the premises and during outings.
- Observations:  
Handwashing, snack time and free play. A group of children were building a fort, other children were playing table games. The educators were discussing with the children and engaged in their games. Upon my departure the children were preparing to go outside.
- Discussion with the director concerning fire drills.
