General Comments

- Visit completed at the facility in the morning for a monitoring inspection.
- Ratio was maintained during the visit.
- During the visit the facility used positive child guidance.
- During the visit 14 out of 26 child files were verified. The child's files contain all required documentation.
- Signed consent forms are signed by the parent or guardian and added to the child's file.
- A daily incident log is maintained. Parent is advised of incidents and signs the daily log.
- The outdoor play area materials are varied and in sufficient quantity for all the children present. There is no stationary equipment in the outdoor play area.
- Observations:
Parent arrival, free play, snack and outdoor activities. The children were playing with the dolls, blocks and creating art. Some children decided to play a game of Twister. Upon my departure the children were preparing to go outside.
Documentation of children's learning is seen throughout the facility. Pictures, learning stories and children's art is posted. The educators were engaged in the children's learning.
- Discussion with the director on the outdoor play area and materials.
