General Comments

- Visit completed at the facility in the afternoon for a monitoring inspection.
- Posted in the entrance of the facility are the following documents. The license, inspection reports, daily routine, evacuation procedures, name of the administrator, name and telephone number of the QA Monitor and the inspector and when it applies a notice to inform parents of the existence of a communicable disease.
- A daily incident log is maintained. Parent is advised of incidents and signs the daily log.
- Personal belongings are labelled with the child's name. Easily accessible and stored separately for each child.
- Individual space is provided for diapers, creams and wipes for each child who is not toilet-trained. Changing area is located one metre or less from a sink. Diaper changing procedures are posted in a visible place in the diaper changing area. Children are always supervised during diaper changing.
- Observations:
Preschool group: During the visit, parent arrival, diaper changing, and outdoor play was observed.
After schooler's: The after schooler's arrived from school had their snack, participated in free play activities and went to the parc in the community. During free play activities the children were building with Lego blocks and playing with the play dough.
