General Comments

- Visit completed at the establishment before lunch for a monitoring inspection.
- During the visit, the ratio was respected.
- During the visit, thirteen children's files were reviewed. All children's files contained consent forms that were signed and dated by a parent or guardian.
- Each child has an easily accessible space to store their personal belongings, which is labelled with their name and used only for the intended child.
- Toxic products and cleaning supplies are locked and inaccessible to children.
- Observations: Upon my arrival, the children were having their lunch, which was provided by their parents. They participated in free play activities and later had a nap. The educators were engaged with the children and involved in discussions with them.
- Discussion with the director and educators on policy 902.
