General Comments

Children were in the outdoor play area when licensing staff arrived.
Some of the children were playing in the dirt pile, while others were making fishing poles with sticks, string and other materials. Other children were sitting at the shaded picnic table working on a craft.
Due to the high heat the children were planning on staying inside for the afternoon where they could work on crafts or watch a movie.
The indoor space is clean and organized. There are a variety of materials for the children to learn and explore with.
