Order for Compliance	Regulation	Date to be corrected	Date corrected
10(8) For the purposes of this section, an infant may only be grouped with children of a mixed-age group outside the hours of 8:30 a.m. to 4:30 p.m. and on the condition that the infant is grouped with preschool children and other infants.	10(8)	Oct 07, 2026	
Comments: During nap time, Licensing observed in the infant room; 3 infants and 6 children aged 2 years old, sleeping in the infant room. Infants cannot be mixed with preschool age children between 8:30AM and 4:30PM. Licensing discussed this with on-site Administrator during the renewal inspection. The two-year-old children must sleep in their own area going forward.			
21 The daily activities of a licensed facility shall be purposely planned in advance and documented and shall respond to the capabilities, needs and interests of each child.	21	Oct 23, 2026	
Comments: During nap time, Licensing observed in all rooms: infants, two's, three's and four-year-old's that purposeful planning based on the interests of the children was not evident. Licensing discussed with on-site administrator during the inspection. Purposeful planning must be evident based on the interests of the children.			
36(4) The rest area of a full-time early learning and childcare centre and an early learning and childcare home shall allow for a space of at least 46 cm between each crib, portable playpen, cot or nap mat.	36(4)	Oct 07, 2026	
Comments: Licneisng observed that the children's nap maps/cots in the infant room were not the required 46cm apart. Discussed with on-site Administrator during the inspection.			
41(1) A licensed facility at which services are provided to children who wear diapers shall have a sturdy surface that is (b) covered with a non-absorbent layer.	41(1)(b)	Oct 23, 2026	
Comments: Licneisng observed that the diaper change pad in the three-year-old room was ripped. To be replaced.			

General Comments
A renewal inspection was conducted during the morning and afternoon hours.
Upon arrival at the childcare facility, licensing staff observed that all groups were off-site participating in neighbourhood walks. The 4-year-old group returned shortly thereafter and engaged in outdoor play within the fenced play area.

General Comments

Licensing staff discussed recent changes to the Early Childhood Services Act with the on-site Administrator. Discussions also included the requirement that surfacing beneath outdoor play equipment be installed and maintained in accordance with the manufacturer's specifications.

Licensing staff further reviewed professional learning requirements and noted that seven (7) educators are required to complete their Professional Learning Hours prior to the licence expiry date of October 31, 2026. The Administrator advised that contact has been made with the Early Learning Consultant to identify available professional learning opportunities.

Additional discussions focused on purposeful planning based on children's interests and the documentation of children's learning and development.

Throughout the renewal inspection, licensing staff observed educators actively engaged with the children and utilizing positive child guidance practices during their interactions.
