General Comments

A follow up inspection occurred on the license.

During the inspection, the children were observed during outside play, transitioning to inside for handwashing, diaper changing, lunch and nap/quiet time.

The children have been participating in neighborhood walks to the local plumbing store, the Fire Department

General Comments
visited for Fire Safety Month. Pictures and captions on the walls of each of the learning environments depict the children engaged in painting with leaves, reading books, creating an obstacle course, and exploring leaves. Professional learning for staff members was verified complete. All orders for compliance were verified completed and the facility is recommended for license renewal.
