General Comments
<p>A renewal inspection was completed today. All staff files and child files were reviewed and complete. Each room was decorated for Christmas and showed educators valuing curriculum planning, reflecting and documenting each day. Indoor and outdoor props and materials were open ended and displayed at Childrens level (such as the sensory table with rice, rocks and blue felt) to provide multiple choices, solutions and possibilities for exploration and investigation.</p> <p>The fours room (kinder kids) had books wrapped for children to uncover in the afternoon each day leading to Christmas which supports children's currant interests, curiosity, and passions.</p> <p>Within the ASP room, there was a display of 'letters to Santa' with a dramatic play desk which was open ended to provide multiple possibilities for the children to experience real life experiences. The educators displayed multiple flexible areas to accommodate children's emerging interests.</p>
