<p>General Comments</p> <p>This was the first monitoring visit since the facility opened in July.</p> <p>The centre is very clean and bright with many natural materials in each room.</p> <p>Both children and staff files were reviewed, and all contained the required information.</p> <p>There is evidence of planned activities and documentation of the children's learning was noted in each classroom. Educators are following the interests of the children. Sensory bins were set up in each room.</p> <p>Children seemed comfortable in the facility and are familiar with the daily routine. Educators were engaged with the children and attentive to the children's needs.</p>
