General Comments
<p>Children were engaged in some free play activities when licensing staff arrived. New staff have been hired since the last visit. Staff files were reviewed. All contained the required documents. Operator is familiar with; and is using the proper forms such as administration of medication, incident reports, and return after exclusion forms. The classrooms are organized, providing the children with many learning opportunities. The Children seem comfortable in the environment. Everything appeared to be running smoothly during the visit.</p>
