<p>General Comments</p> <p>The children were engaged in a variety of activities during the visit such as playing with magnetic blocks, building towers with wooden blocks, playing trucks and cars and painting. The educators were observed sitting on the floor interacting with the children whether it was playing with the children, cuddling or consoling them and reading stories. The facility is organized and there is a variety of materials for the children to learn and explore with. Each child is represented in the classrooms through family photos, learning stories, pictures of buildings and places in the community. While educators were getting lunches ready, they were heard singing songs and reading stories to the children. Today's song was " 5 Little Monkey's" and the stories were "The Wind Plays Tricks" by Virginia Howard and "The Three Little Pigs"</p> <p>Only positive guidance was observed during the visit. Everything seem to be running smoothy,</p>
