Order for Compliance	Regulation	Date to be corrected	Date corrected
30(3) An operator shall maintain the indoor play area of a licensed facility to ensure the safety of the children.	30(3)	Jul 31, 2025	
Comments: Licensing staff observed knicks on the wall and areas that have been crack filled, that have not been fixed from the April 15th, and July 15th, 2025, inspections that have not yet been fixed. The knicks and areas where there is crack fill are required to be fixed immediately.			
31(3) An operator shall maintain the outdoor play area of a licensed facility to ensure the safety of the children.	31(3)	Jul 15, 2025	
Comments: While inspecting the outdoor play environment, licensing staff noted broken metal framing at the corner of the building that is very sharp and a safety hazard that will need to be repaired immediately to maintain the safety of the children.  Also, the lid to the large plastic storage box where toys are being stored in needs to be repaired to ensure the safety of the children.			
33(1) An operator of a licensed facility shall provide outdoor play area materials and equipment that are varied and in sufficient quantity for the number and ages of the children receiving services at the licensed facility.	33(1)	Jul 31, 2025	
Comments: While licensing staff was inspecting the outdoor play environment, it was noted that sand has been added to one of the sandboxes and sand accessories have also been added however, more resource materials need to be added to the outdoor play environment. Please add materials such as craft materials, glue, paper, and books for the children to play with.			

General Comments
Licensing staff arrived at the licensed facility to conduct a second follow-up inspection regarding compliance orders from the license renewal inspection and the follow-up license renewal inspection back on April 15th and July 15th, 2025.
