### General Comments

#### Monitoring Inspection:

Children and educators observed engaged in a variety of activities outdoors this afternoon including gross motor play, exploring the mud kitchen and climber. The preschool children were observed having a picnic snack in the shade in the outdoor play area.

Purposeful planning is evident through documentation that supports the children's current interests and learning experiences.

Educators were observed engaging with children in a positive way during transition times.

Handwashing routines observed before snack and during washroom routines.

Nap time was observed today. The environments are dim, and educators put soft music on to ensure the environment is relaxing for children. The children's cots are set-up with bedding and are situated at an adequate distance apart.

Educators were observed sharing information about the child's day with the parents at pick-up time.

Monthly fire drills are documented.

Daily attendance records are accurate and reflect all children present.

New staff file (2) review was completed, all required documents are in place.

Child-to-staff ratio was observed to be met during Monitoring Inspection.
