<p>General Comments</p> <p>Monitoring Inspection:</p> <p>Children were observed at arrival and snack time this afternoon. Each child is welcomed by their educator as they arrive off the bus. Thursdays are special snack days - the Seniors Group the operates in the morning at the building leave a variety of snacks for the children to have when they arrive from school.</p> <p>Purposeful planning is evident through documentation, invitations and materials added to the environments that support the children's current interests (nature, bugs, loose parts, and worms).</p> <p>An inspection of the outdoor play area was conducted; the stationary equipment has adequate surfacing beneath it and a variety of materials have been added to promote play.</p> <p>Handwashing routines were observed at arrival and before snack.</p> <p>Daily attendance records are accurate and reflect all children present. Child-to-staff ratio was observed to be met during Monitoring Inspection.</p> <p>New staff file (1) review was completed; all required documents are in place.</p>
