Comments: Outdoor materials depleted. Materials to be added, but not limited to: Wagons/wheelbarrows, skipping ropes, floor hockey/sticks, baseball bats, balls, gloves, cones, outdoor games, hula hoops, mats for tumble play etc.			

General Comments
A renewal inspection occurred today. The children were observed both indoors and out. The children were engaged in free play within the classroom, coloring, exploring science materials and reading throughout the room. The educators were observed communicating with children positive guidance, giving each child opportunity and time to express what they are feeling. The learning environment was flexible to accommodate children's emerging interests.
