General Comments
<p>Monitoring Inspection:</p> <p>Children and educators observed during outdoor play this afternoon. Children were observed testing their limits by climbing on the snowbanks and climbing the trees.</p> <p>The indoor play area is set up with a variety of invitations within each interest center for the children to explore when they come in from outdoor play. Purposeful planning is evident through documentation displayed throughout the room and on the weekly planning sheets. Materials have been added to the environment to support the children's current interests (babies, climbing, basketball, soccer and art).</p> <p>Currently the Mini Gym is not being used as an indoor environment.</p> <p>Yogurt and cereal were served for snack today.</p> <p>Monthly fire drills are documented.</p> <p>Staff to child ratio was met during inspection.</p>
