| Comments: Deficiency is now compliant | | | |

General Comments

Monitoring Inspection:

Children and educators observed engaged in a variety of activities this morning/afternoon including mark

General Comments

making, dramatic play, fine motor activities, painting opportunities, music and movement and outdoor play. Each environment is set-up with a variety of materials for children to explore freely.

Purposeful planning is evident through documentation displayed throughout the environments and on the planning sheets. Documentation supports the current interests of the children (animals, cars, colors, dinosaurs, worms, and bugs).

Pasta, sweet and sour chicken and vegetables with milk to drink was served for lunch. Crackers and cantaloupe were served for afternoon snack.

Hand washing routines observed before meals, after outdoor play, during washroom and diapering routines. Diaper changing procedures were observed to be followed.

Monthly fire drills are documented.

New staff file (5) review was completed, all required documents are in place.
