Order for Compliance	Regulation	Date to be corrected	Date corrected
22 The daily routine of a licensed facility shall include (b) a period of rest for a length of time that meets the needs of each infant and preschool child receiving services at the licensed facility but that does not exceed two consecutive hours unless there is a written request from a child's parent or guardian to extend the length of time.	22(b)	Feb 23, 2026	
Comments: The inspector discussed the rest period with the operator. The operator confirmed that two children will sleep between two and three consecutive hours. The period of rest of the licensed facility must not exceed two consecutive hours unless there is a written request from a child's parent or guardian to extend the length of time.			
48(2) An operator of a licensed facility may supply food to a child receiving services at the licensed facility that a parent or guardian of the child brings from the child's home if the food is labelled with the child's name and refrigerated, as required.	48(2)	Feb 17, 2026	Feb 17, 2026
Comments: The inspector observed that the lunch boxes of all five children are not labeled with the child's name. All children's personal belongings, including lunch boxes and water bottles, must be labeled with the child's name. The operator labeled the lunch boxes during the inspection. Deficiency is now compliant.			

<p>General Comments</p> <p>The inspector is on site to conduct the renewal inspection.</p> <p>During the inspection, the inspector observed the morning outdoor play period, the lunch period, the rest period, and indoor free play.</p> <p>The inspector observed positive child guidance practices between the operator and the children, such as getting down to the children's level and speaking to them softly.</p> <p>The inspector is unable to determine the types of materials in the outdoor play area because of the presence of snow. This element will be reviewed at a later date.</p> <p>The ratio is respected during the inspection.</p>
