### General Comments

A monitoring inspection occurred today, February 25, 2025.  
There is a wide variety of interest centers set up in the room and the children were observed having snack, painting on the easel, creating art, playing a board game, Barbies and hanging with their peers.  
Inspector observed a large connect four games, a variety of board games, creative art centre with a variety of open-ended materials to create with, dramatic play centre with a hair dressing station, dress up clothes, Barbies and accessories, blocks, magnetic tiles, other building materials and Lego. Children have access to the gym and utilized it during the inspection.  
Attendance records were observed on site and completed. Fire drills were observed completed. All required information is posted on the Parent Board.  
Educators were observed using positive child guidance when speaking with the children.
