

Appendix 25/Annexe 25

Recognized Early Childhood Education Programs in NB/ Programmes reconnus d'éducation de la petite enfance au Nouveau-Brunswick

Licensed Early Learning and Childcare Facilities/ Service de garderie éducatif agréé

Note: If recognized ECE programs do not include training in the New Brunswick Curriculum Framework for Early Learning and Childcare, educators must also take the 30-hour online curriculum training course offered at no cost by the Department of Education and Early Childhood Development. Operators will enroll educators in this course upon being employed at an Early Learning and Childcare Facility. Also note that Early Childhood Services Licensing educational requirements outlined in subsection 11(b) of the New Brunswick Licensing Regulation differ from those in the Wage Support Program for Early Childhood Educators (WSP-ECE). For further information, please contact your regional licensing team or a consultant for the WSP-ECE program. If your training program does not appear on this list, you must submit the Training Exemption Form to the Minister of Education and Early Childhood Development to obtain or not obtain recognition of the qualification for the requirements of the early childhood education certificate. To receive this form, please contact the Early Childhood Administrative Coordinator by e-mail at Exemption.ECPE@gnb.ca	Remarque : Si les programmes d'EPE reconnus n'incluent pas de formation dans le cadre du curriculum éducatif des Services de Garde du Nouveau-Brunswick, les éducateurs doivent également suivre le cours de formation en ligne de 30 heures offert gratuitement par le ministère de l'Éducation et du Développement de la petite enfance. Les personnes exploitantes inscriront les éducateurs à ce cours lorsqu'ils travailleront dans un Service de garderie éducatif. Il convient également de noter que les exigences en matière d'études en matière de permis de services à la petite enfance énoncée à l'alinéa 11b) du Règlement en vertu de la Loi sur les Services à la petite enfance du Nouveau-Brunswick diffèrent de celles du Programme de soutien salarial pour les éducateurs de la petite enfance (PSS-PEG). Pour de plus amples renseignements, veuillez communiquer avec votre équipe régionale de délivrance de permis ou avec un consultant pour le programme PSS-PEG. Si votre programme de formation ne figure pas sur cette liste, vous devez soumettre le formulaire d'exemption de formation au ministre de l'Éducation et du Développement de la petite enfance afin d'obtenir ou non la reconnaissance de la qualification pour les exigences du certificat d'éducation de la petite enfance. Pour recevoir ce formulaire, veuillez communiquer avec le coordonnateur administratif de la petite enfance par courriel à l'adresse suivante : Exemption.ECPE@gnb.ca
