- 1 Collect the necessary information**

To accept an enrolment offer, you will need to create a profile for your child within the EECD Parent Portal. You will need the following information about your child:

To accept the offer, you must select the child that is associated with the offer. You will also have the option to reject the offer if you no longer require early learning and childcare services.

To accept an enrolment offer, you will need an EECD Parent Portal account.

You may have already created an account for programs such as the EECD Laptop Subsidy Program or COVID-19 Transportation Opt-out service. If not, you will need to create an EECD Parent Portal account to proceed.
