Below this, a red box contains the instruction: 'To proceed with accepting the Enrolment in Early Learning and Childcare Centres and Homes, please complete the following steps.' The page is divided into two main sections: '1 Collect the necessary information' and '2 Accept the Enrolment Offer'. Section 1 explains that users need to create a profile for their child and lists required information: 'Legal Name and Date of Birth' and 'Medicare Number and Name'. It also notes that school-aged children may have an NBEN, which can be found on report cards. Section 2 states that users must select the child associated with the offer and provides an option to reject the offer. Below these sections, there are two buttons: 'Sign in' and 'Create an Account'. The 'Sign in' button has a link for 'Reset your password'. At the bottom, there is a 'Need Support?' section with contact details for the Department of Education and Early Childhood Development, including a phone number (1-888-762-8600) and an email address (EECDPortal-PortailEEDPE@gnb.ca). The footer contains links for 'Feedback', 'Privacy', and 'Disclaimer', along with copyright information for 2022.
