General Comments
<p>A Monitoring Inspection occurred in the morning of December 11, 2025</p> <p>The children were observed engaging in a variety of activities within the indoor environment, including sensory play with playdough. They used cookie cutters, stampers, candy canes, textured prints, and scissors to create shapes and designs. The children also were observed sitting with the Operator, who read books, sang songs, and posed open-ended questions, encouraging responses and extending learning through conversation. Additionally, diaper changing routines were observed, and the diaper changing procedures were followed.</p> <p>Documentation was visible throughout the room, including photographs, individual and group artwork, learning stories and individual portfolios. The room was well organized and inviting, offering a varied supply of age-appropriate materials, books, and toys.</p> <p>Parents of the children present at the centre are granted access at any time. Rest periods do not exceed two consecutive hours. Snacks are provided at intervals no longer than three hours, and meals are served during recognized meal periods. Steps are available to help children access regular-sized toilets and sinks independently.</p> <p>A clearly visible and prominent area was designated for posting the facility license, current monitoring reports, and any orders for compliance. Additional documents observed included incident logs, daily attendance records, daily information sheets, daily routine, and monthly emergency evacuation and fire drill records.</p>
