General Comments

Afternoon visit to the facility for an unexpected monitoring inspection. Ratio was respected at time of visit.
-Posted in a visible and prominent place in the facility are the following documents: The license, inspection report, daily routine, evacuation procedures, name of administrator, name and telephone number of QA Monitor and Inspector. Operator is aware that life threatening allergies and a notice to inform parents of the existence of a communicable disease must be posted as needed.
Discussion was had regarding the reportable incident form and what incident is considered reportable. Daily incident log is maintained, and operator is aware that the log must be signed by the parent. Incident reports are maintained in the child's file

-During the visit, the educator was observed engaged with children at their level providing support and having conversations. Preschool children were having their snack while the infant finished his nap.
