### General Comments

Visit to ELC home for unexpected visit. Ratio was respected at time of visit.  
Medication is locked in cabinet and inaccessible to children. Consent forms for administration of acetaminophen and administration of medication were reviewed as well as the operator's administration procedures to help to ensure that children are receiving medication properly and safely.  
The outdoor play area is maintained safe and free of hazards. It offers ample shade to protect children from the heat of the sun and consists of more than one surface to permit different types of play.  
Discussion was also had regarding monthly fire drills. An operator of a licensed facility shall carry out emergency evacuation and fire drills monthly. The Emergency Evacuation and Fire Drill, Smoke Alarm, Smoke Detector and Fire Extinguisher Check form (Appendix 16 in Operators Manuel) was provided.  
Operator has added zone with natural loose parts for the children to explore. Discussion with operator of importance of keeping small parts such as pebbles out of reach of infant. A table was in place preventing infant access.  
Observations: Children were in free play during visit. Some played with the trucks, while others played with scissors and paper.
