

## Early Learning and Childcare Facility Inspection Report

Type of Inspection:  
Monitoring Inspection

Pursuant to section 21 of the *Early Childhood Services Act*, operators of licensed early learning and childcare facilities must post their most recent inspection report in a clearly visible and prominent place in the facility.

|                                                               |                                                    |                                                                 |  |

|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <p><b>General Comments</b></p> <ul style="list-style-type: none"> <li>-Mid-day visit to the establishment for an unexpected monitoring inspection</li> <li>-Ratio was respected during the visit</li> <li>-Minor incident reports are maintained in the child's file</li> <li>-Major incident report forms are kept in the children's files and signed by the parent. The incident form is sent to the Department within 24 hours following the incident and a copy is given to the parent.</li> <li>-Daily routine into the center includes; Outdoor play time at least once every 4-hour blocks time when the weather is permitting. Meal and snacks are served at the recognized hours and a daily rest period that meets the children's needs.</li> <li>-During the visit, it was observed that all educators are engaged with children at their level providing support and having conversations. Open-end questions are asked and guidance is given in a respectful and kind way</li> <li>-Diaper changing station has individual space and provided all diaper-changing necessities. The changing table is equipped with a safety strap and covered with a non-absorbent layer, it is separated from the food preparation and is located one meter or less from a sink and children are always supervised during diaper changing.</li> <li>-Infants are always supervised when eating or drinking</li> <li>-Infant bottles are stored with a cover in the refrigerator, labeled with the child's name and only used for the intended child</li> <li>-There is no allergy at the moment in the center</li> <li>-Drinking water is provided throughout the day</li> <li>-Children's indoor play area is safe and clean</li> <li>-Outdoor play area is maintained safe and free of hazards</li> <li>-It was discussed with the operator on steps to take on having a relief staff, she is planning on having her relief staff coming in at the center for time to time for kids to know her.</li> </ul> <p>Observations: When arriving at the center all children had lunch and a nap, this morning they did a fall craft with leaves, children were very proud to show it to me. At the end of the visit they cleaned up and got ready to go play outside.</p> |
