<p>General Comments</p> <p>During my unplanned visit in the afternoon, I observed compliance with the ratio. The following elements are observed during my visit:</p> <ul style="list-style-type: none"> - No medications are present in the daycare. - Personal belongings are stored separately. - Toxic, chemical, and cleaning products are stored in a locked area and kept out of children's reach. - The indoor play area is clean, safe, and benefits from natural light. - The indoor play materials are varied, available in sufficient quantity for the number of children present, and stored on low, open shelves that are easily accessible. <p>Observation: The children are welcomed outdoors, and the group proceeds indoors for the school provided snack at approximately 3:30 p.m.</p> <p>In conclusion, new posters on communicable diseases were distributed during my monitoring inspection. A total of three packets, each containing three posters, was provided.</p> <p>The posters covered the following topics:</p> <ul style="list-style-type: none"> - Rashes, skin lesions, and itching in children - Diarrhea in children - Respiratory symptoms in children
