General Comments

- Unexpected late-afternoon visit to the establishment for a monitoring inspection
- Ratio was respected during the visit
- The administrator as well as all educators have a valid first aid certificate
- No medicine or EPIPEN is kept in the afterschool room
- During the visit, it was observed that all educators are engaged with children at their level providing support and having conversations.
- Each child has an easily accessible space to store their personal belongings, which is labeled with their name and used only for the intended child.
- When going outside children are using the main fenced in playground, when weather permitting
- When transporting children to and from school, the driver is counted in the child-to-staff ratio
- Emergency contact list for each child and a first aid kit are present in the vehicle when children are transported.
- Material and equipment proposed to children in the indoor play area are easily accessible on low, open shelves. It is varied and in sufficient quantity for all children present.
- One staff will need to get her criminal check done in the province of NB; once her documents are received a copy will be send to licensing staff.
- All staff files have all the required documents
- Children's indoor play area is safe and clean

Observations: When arriving at the center, two children were driven from school by the administrator. A bit later all the children arrived by bus, they washed their hands and ate snack.
