General Comments
Licensing staff conducted a follow up inspection. Upon arriving the children were observed playing in the outdoor play area. Child to staff ratio was taken and within compliance. The school aged playground is now equip with accessories such as a basket with plastic food items, a small basketball hoop with small balls and sandbox accessories. The children were observed playing in the sandbox with buckets, spoons, shovels and other accessories. The school aged playground now has a storage bin filled with material such as a large Tetris game, sport equipment such as basketballs, baseballs and a bat. The sandbox now has accessories so that the children can dig, make sandcastles and strain sand. A conversation with the site manager was had and licensing staff was notified that picnic tables and a large basketball hoop will be added to the school aged playground. Pots, pans, and large spoons were added to the play kitchen in the school aged playground. The deficiency is now complaint.
