<p>General Comments</p> <p>A monitoring inspection occurred in the afternoon on December 9, 2025</p> <p>The school age children were observed engaged in a variety of activities that included painting a Christmas tree, playing a game of catch and making music with pots and pans as drums.</p> <p>The children shared with licensing that they are currently interested in art, games, sports, and music.</p> <p>The educator demonstrated positive interactions by using encouraging language and gentle reminders. The educator asked open-ended questions, listened actively, and extended children's ideas through conversations.</p> <p>Several forms of documentation were observed, including photographs, a planning book, and individual artwork. The room was well organized and inviting, offering a varied supply of age-appropriate materials, books, and toys.</p> <p>A clearly visible and prominent area was designated for posting the facility license, current monitoring reports, and any orders for compliance. Additional documents observed included incident logs, daily attendance records, and monthly emergency evacuation and fire drill documentation.</p>
