to be repaired or replaced. Additional materials have been purchased. At this time, it appears that each classroom has sufficient materials. Licensing staff was advised that shade sails were added during the summer months but have been taken down as they prepare for winter. A sandbox was added to the infant's playground giving them a second surface to use. New staff have been hired since the last visit. When reviewing their files it was noted that newly hired staff do not have a current first aid certificate. They will need to register for a first aid course.
