General Comments The Quality Assurance Monitor is on site in the morning to conduct a monitoring inspection. The child to staff ratio was respected during the inspection. The following elements were verified: - Indoor play area and material - Washroom - Diaper changing - If all required documents are posted in a visible place in the facility - Medication records - Incident records - Health - Premises -Safety The Quality Assurance Monitor had a discussion with the operator regarding designation requirements. The operator confirmed that the Quality Improvement plan and the 10h of professional development hours are in the process. The Quality Assurance Monitor observed the children during the transition to a nearby municipal playground. Positive interactions were observed between the operator and the children. The children appeared engaged and enjoyed the opportunity to participate in outdoor play within the community setting.
