General Comments

The quality assurance monitor is on-site to conduct a monitoring inspection.

The quality assurance monitor is present during the afternoon indoor play period. Children are engaged in a variety of activities, including playing with small vehicles, creating with playdough, and building a bus using large plastic blocks.

The following elements were verified:
- ratio and maximum number of children
- posted in a visible and prominent place in the facility
- staff records
- child records
- daily routine
- child guidance
- premises
- supervision

During the visit, the ratio is respected.
