Order for Compliance	Regulation	Date to be corrected	Date corrected
28(1) An operator of a licensed facility shall not change the allocation of space used to provide services or add to or alter any building or facility or any part of them unless the Minister has approved the changes in writing.	28(1)	Sep 28, 2026	
Comments: An infant playground has been added. This space has not been approved by the department.			

General Comments
A playground for the infant children was installed without approval from the department. When changes are being made at a facility a change in service application needs to be submitted to the department. Once the changes are completed and change in service inspection needs to occur. Please submit a change in service application so the proper procedures can be followed.
