General Comments The Quality Assurance Monitor is on site in the morning to conduct a monitoring inspection. The ratio was respected during the visit. The following elements were verified: - Child records - Signed consent in the child file - Checks - Staff files - Administrative records maintained on- site - Child Guidance - Ratio The Quality Assurance Monitor had a discussion with the operator regarding outdoor play. The operator informed the Quality Assurance Monitor that they usually go outside in the morning and in the afternoon. The Quality Assurance Monitor observed the children playing in the indoor play area. The operator was observed engaging with the children, signing with them, and practicing positive conflict resolution strategies. The children were observed drawing and playing with stickers. They were also observed during the transition to lunch while retrieving their lunch boxes. Positive interactions were observed between the operator and the children throughout the observation period.
